Mr. Felix Weil
Medallic Art Co.

New York, N. Y.

Dear Mr. Weil:

First of all this is to thank you for your prompt attention to obtaining the boxes for the Saltus medal for us - we appreciate your cooperation.

Through inquiry of De Francisci, I learned that his medal had been engraved on the edge and consequently I asked Mr. Lawrie to leave his medal for engraving with you at the first opportunity. If he has not done this within a reasonable time, will you communicate with him and send to his studio for it.

If your bill has not already been rendered, please include the cost of engraving with his name and the year, 1937.

Very truly yours,

Secretary
